

FOR IMMEDIATE RELEASE

APOLLO ENTERPRISE SOLUTIONS, LTD. ("OAL:GR", "AES:BH") ENGAGES INTEGRAE SIM SpA MILAN AS INVESTMENT BANK FOR ITALIAN MARKET

London, 7 November 2013 – Apollo Enterprise Solutions, Ltd. ("AES"), a leading provider of advanced interactive software solutions for self-serve banking transactions, is pleased to announce that it has engaged Integrae SIM, a leading investment bank and market maker specializing in high-growth companies listed on the AIM Italy, to publish research reports and explore options for a dual-listing on the Italian AIM. The AIM is home to international primary and dual-listed companies from around the world and is a globally-recognized stock market. AES is currently listed on the Frankfurt Stock Exchange, Bermuda Stock Exchange and Xetra (OAL:GR, AES:BH).

Filippo Palmarini, Director of Investment Banking for Integrae, stated, "AES has the qualities we are looking for in high-growth technology companies. We look forward to their potential listing here in Milan." "A dual-listing on the Italian AIM would be a milestone for AES," said Joseph Konowiecki, Chairman & CEO of AES. He continued, "Being listed on the AIM would support our ambition of targeting the European banking sector which, in this phase of AES' evolution, further strengthens our position as a globally recognized leading provider of self-serve banking technology."

About AES

AES is the leader in advanced Agent Emulation™ Systems for consumer credit portfolios for banks and financial institutions. AES offers the patented TRUE™ System that empowers consumers to self-serve on a highly individualized basis according to their personal profile. Consumers are empowered to interact on a self-serve basis to resolve situations on any device, at any time. AES' patented TRUE™ System helps banks and financial institutions achieve significantly improved operational effectiveness and large increases in profit, while enhancing the customer experience and brand loyalty.
