

FOR IMMEDIATE RELEASE

APOLLO ENTERPRISE SOLUTIONS, LTD. (“AES”) ESTABLISHES NEW TECHNOLOGY ADVISORY BOARD

Los Angeles, CA, June 24, 2013 – AES, a leading provider of advanced interactive software solutions for banking transactions, is pleased to announce its new Technology Advisory Board comprised of a CTO, a PhD and a Senior Executive Payments Architect, each of whom has spearheaded technology architecture for financial institutions throughout the United States. The Technology Advisory Board will advise AES on product development, infrastructure and strategy.

“We are fortunate to have this valuable resource to advise us on our technology initiatives,” said Joseph Konowiecki, CEO. He continued, “Our new Technology Advisory Board has the skills, knowledge and insight to review and make recommendations on our overall technology development strategy.”

About AES

AES offers an enterprise-wide Agent Emulation™ System for management of consumer credit portfolios. AES’ patented TRUE™ System achieves operational effectiveness, increase in profit, and enhances consumer experience and brand loyalty. Consumers are empowered to interact on a self-serve basis to resolve situations on any device, at any time. More information about Apollo Enterprise Solutions, Ltd. ("OAL:GR") is available at <http://www.aestru.com>.
